Supervisor Driscoll asked if they had any questions, comments or corrections to be made to the minutes? The Board had no questions, comments or corrections to be made to the minutes. A motion to except the November minutes was made by Dwayne C. Hill seconded by Donna VanSickell. All voting Aye.

Linda Goss reported to The Board that she had received a revised letter from New York State Department of Transportation. This letter obtains to Odell Lake Road Extension speed limit reduction. The original letter stated that Delaware County was responsible for signing the new 50 MPH signs. The revised letter states that the Town of Harpersfield is responsible for signing the new speed limit. A discussion was had.

Supervisor Driscoll introduced Christopher Plante and Richard Brisco to the Board. They have given the Town resumes for the Codes Enforcement position. Supervisor Driscoll asked them to join the Town Board meeting so the Board could ask them a few questions. Supervisor Driscoll asked Christopher Plante to share his experience with Codes Enforcement with The Board.

Christopher Plante stated that he has been a Codes Enforcement Officer for about 8 years. Mr. Plante has been in construction his entire life. He also attended Vocational Tech School for construction beforehand. Mr. Plante is originally from Massachusetts. Mr. Plant owned a business in Massachusetts then moved to New York to cool off a little bit. After 911 Mr. Plante ended up back in the construction business. Supervisor Driscoll asked Mr. Plante where he was a in Codes Enforcement? Mr. Plante answered that he was in Codes Enforcement for the Village of Margaretville and the Town of Middletown which covered the Village of Fleischmanns also which was a full-time position. Mr. Plante is not looking for another full-time position, he is looking for a part-time position which is what the Town of Harpersfield is offering. A part-time position fits best in Mr. Plantes schedule. Mr. Plante maintains a full-time construction business currently. Mr. Plante says he owns property in Harpersfield, so he has a vested interest here.

Supervisor Driscoll asked Richard Brisco to introduce himself to the Board.

Mr. Brisco introduced himself and stated that he is from East Merrideth and that he has been here his whole life. Mr. Brisco has been in the construction business since 1989. He started his own construction business in 1995. Mr. Brisco just recently took the test to become a Codes Enforcement Officer. He has not worked in the field as of this point. Mr. Brisco is hopeful that this will be the next phase in his construction career.

Supervisor Driscoll asked Thomas Little if he had any words of wisdom for Codes Enforcement? Thomas Little went on to say that Codes Enforcement is a thankless job, but it needs to be done. Codes Enforcement is for the protection of the public and the homeowners. To make sure the homeowners get a safe and secure home that follows New York State Codes as much as it possibly can. A discussion was had.

Supervisor Driscoll asked the Town Board if they had any questions for Mr. Plante and Mr. Brisco? The Board needs to make a decision on who will fill the Codes Enforcement position. That decision does not need to be made today but within the next couple of days. The Board members have read their resumes and had no questions. Supervisor Driscoll asked Thomas Little if he had any questions? Mr. Little had no questions. The discussion continued.

Supervisor Driscoll informed the Board that next on the agenda is the Volunteer Firefighter Law-resolution for amending the current Local Law.
